АННОТАЦИЯ.

Данная разработка представляет контрольную работу, которая составлена по грамматическим темам. В контрольной работе раскрываются вопросы правильного употребления грамматических форм и конструкций.

Пояснительная записка

Основными критериями выбора данной контрольной работы послужил отбор и организация учебного материала, тематическое соответствие, познавательные функции. У студентов уже имеются определённые теоретические и практические знания по грамматике. Поэтому важно расширять, углублять и систематизировать их знания. В связи с этим представляется целесообразным рассматривать не отдельно взятое грамматическое правило, а целый ряд грамматических явлений, функционально связанных между собой. Содержание контрольных заданий по дисциплине «Английский язык» определяют основные нормативные документы:

1) Федеральный компонент государственного стандарта полного среднего (полного) общего образования (приказ Минобрнауки России «Об утверждении федерального компонента государственных стандартов начального общего, основного общего и среднего (полного) общего образования» от 05.03.2004 г. № 1089).

2) Рабочая программа учебной дисциплины «Английский язык» по профессии.

Каждое задание содержит несколько предложений, отражающих содержание программы по данной учебной дисциплине. Каждый ответ на вопрос оценивается в 1 балл.

В контрольную работу включены вопросы следующих тем курса:
